

Iowa Nut Growers Association Fall Meeting and Field Day

Virtual Go To Meeting and in-person field day scheduled for Saturday, Oct. 3rd

The Iowa Nut Growers Association will be hosting their Fall Meeting and Field Day on Saturday, Oct. 3rd. The meeting will be a virtual meeting through Go To Webinar starting at 10:00 am so you can participate from the comfort of your own home. You will need to contact Jeff Jensen at jjensen@treesforever.org to register and receive the link for the meeting and schedule a session if participating in the in-person field day.

For those looking to get out of the house, we have a fantastic opportunity to learn about a great property near Denver Iowa, during our in-person field day from 3:00 to 5:00 or 4:00 to 6:00. Due to Covid 19 we are limiting each session to 10 individuals so contact Jeff Jensen to register for the time you would like to attend.

Ron & Rosemary Jacks own and operate R&R Tree Farm growing a wide range of interesting things from chestnuts and heartnuts to pecans and hickories and even some fruits. Ron has done a top notch job laying out his orchard, keeping records on plants, and maintaining the planting so that it is now starting to produce. Learn about the varieties he is planting, the many trips he has taken to other growers throughout the U.S. and the research he is conducting on the farm.

Ron & Rosemary Jacks
R&R Tree Farms 2463 Hilton Ave, Waverly IA
